Datuk Wira returns as Yong Tai Berhad CEO

Datuk Wira Boo Kuang Loon returns to the helm of Yong Tai Berhad as Chief Executive Officer, marking a significant moment for the company. After a hiatus of nearly nine months following his relinquishment as CEO on May 10, 2023, he resumes his role as CEO. Notably, Datuk Wira Boo Kuang Loon also holds a substantial stake in the company.

In a strategic move, the former CEO, Dato Leong Sir Ley, undertake the position of non-independent and non-executive director. Despite relinquishing from the CEO and Managing Director roles, Dato Leong Sir Ley maintains her influence as the largest shareholder of Yong Tai Berhad through her investment vehicle, Domain Capital Sdn Bhd. Likewise, Mr. Tyson See Tai Soon, the former Executive Director, assumes the role of Non-Independent and Non-Executive Director.

With the reinstatement of Datuk Wira Boo Kuang Loon, Yong Tai Berhad anticipates a future brimming with success. The landscape appears promising with the stabilization of the political situation in Malaysia, the implementation of a Visa-Free policy for Chinese tourists, and the gradual easing of the Covid-19 pandemic. These favorable conditions position Yong Tai Berhad, a tourism-based developer, for remarkable growth and prosperity.

This exciting chapter marks a new beginning for Yong Tai Berhad under the leadership of Datuk Wira Boo Kuang Loon. As the company charts its course forward, it does so with confidence, optimism, and a commitment to excellence in the tourism development sector.
